Terms and Conditions for Diners Club Corporate Card Membership

Effective as of April 1, 2020

CHAPTER I General Provisions

Article 1. (Members)

1. A Diners Club Corporate Card Member (a "Member") is a legal entity or organization that applies for membership in the credit card transaction system ("Membership") of Sumitomo Mitsui Trust Club Co., Ltd. ("Trust Club") and is admitted to the Membership by Trust Club (a "Corporation") (including a Cardholder thereof). Corporations shall be limited to those that have their headquarters or main office in Japan, and in principle Cardholders shall be limited to parties having residences in Japan. If a Cardholder relocates overseas, Trust Club may reexamine its membership qualification.
2. An officer or employee of a Corporation with respect to whom the Corporation agrees to assume any and all liabilities that he/she owes to Trust Club (including but not limited to the payment of Card Shopping Charges) shall be a cardholder (a "Cardholder") if he/she applies to Trust Club for the Membership in joint names with the Corporation and if he/she is admitted to the Membership by Trust Club. The same admission procedures shall apply to any further Cardholders added by a Corporation that is already admitted.
3. In relation to an application for the Membership pursuant to the preceding paragraph, a program administrator who is designated by the representative of a Corporation in advance (an "Administrator") may apply on behalf of the representative.
4. A Corporation and a Cardholder thereof shall be jointly and severally liable for any and all obligations that each of them owes to Trust Club under the Terms and Conditions. However, a Cardholder's payment obligations shall be limited to those arising in connection with his/her own card use.
5. Notwithstanding the preceding paragraph, liabilities relating to cash advance services shall be borne by Corporations.
6. If, in relation to paragraphs 4 and 5 of this Article, the relevant Corporation and Trust Club agree in writing otherwise with respect to obligations that a Cardholder owes to Trust Club, such other agreement shall prevail.
7. The Corporate Card issued to a Cardholder by Trust Club and the Card Information relating to this card (the Cardholder name, card number, and valid term of the card on the front of the card, the personal identification number, and the security code on the back of the card) are together referred to as a "Card."

Article 2. (Time of Conclusion of Agreement, etc.)

1. The Diners Club Corporate Card Membership Agreement will be concluded when Trust Club receives an application from a member for a credit card transaction and approves that application after examination.
2. The Terms and Conditions form part of the Diners Club Corporate Card Membership Agreement in the previous paragraph. The Terms and Conditions and the provisions and special agreements relating to it are together referred to as the "Terms and Conditions, etc."

Article 3. (Issuance and Handling of Cards)

1. Trust Club shall issue and lend Cards to Cardholders. Corporations themselves are not issued with Cards. The types of Cards available are "Diners Club Corporate Card" issued to Cardholders and "ETC Card" and "Corporate Companion Card" that are incidental to the foregoing (which consists of a Mastercard; together with the "ETC Card" referred to as ("Supplementary Cards")). Cards include IC Card equipped with IC Chip.
2. Upon a Card being lent by Trust Club, a Cardholder shall immediately sign his/her own name in the designated place for signature on the Card after checking that the name stated on the face of the Card is that of his/her own. The Card may not be used by anybody other than the Cardholder who has signed his/her own name in the designated place for signature on the Card.
3. A Cardholder shall use and keep custody of his/her Card with the care of a good manager so that the Card is not used by any other person and shall agree in advance that particular acts such as the following can be the card management breach of duty:
 - (1) the Card shall not be kept at any location where there is a risk that the Card will be stolen or there will be unauthorized use by a third party;
 - (2) the Card shall not be presented or used in case it is difficult to make accurate judgment under any circumstance caused by alcohol consumption, etc.;
 - (3) a Member shall not send any reply to an e-mail from strangers or enter his/her card information actively when accessing the website, etc. for the first time; and
 - (4) the management of the Card shall not be left to third parties (including family members; the same shall apply hereunder) regardless of the reasons.
4. Cards are owned by Trust Club. A Member shall not engage in acts that infringe Trust Club's ownership rights such as assigning his/her Card to a third party or pledging the Card. A Member may not loan or otherwise transfer the possession of the Card to any third parties, or let third parties use or know the Card in any manner whatsoever.
5. In the event that a Member breaches this article or the Terms and Conditions, etc. and a Card is used by third parties, the relevant Member shall bear liability for charges on the card use and any other losses arising therefrom in accordance with the provisions of the Terms and Conditions, etc.
6. The valid term of a Card shall be prescribed by Trust Club and stated on the face of the Card. Trust Club shall issue a new Card with a renewed valid term to a Cardholder who

does not file a withdrawal application by the valid term and is deemed, by Trust Club, to remain qualified for the Membership. However, for a Cardholder who has not used his/her Card for a certain period of time, the renewal may be withheld.

7. If Trust Club suspects an unauthorized use by a third party or possibility thereof with respect to any Card, Trust Club shall immediately suspend the use or invalidate the Card without prior notice to a Member and issue a replacement. A Member shall agree to the foregoing in advance. In this case, the relevant Member shall cooperate with any investigation that Trust Club may conduct in relation to the damage from the unauthorized use.

Article 4. (Purpose of Card Use)

1. A Cardholder shall use his/her Card only for the purposes of the Corporation's business, unless otherwise agreed between the Corporation and Trust Club.
2. Even in cases where a Cardholder uses his/her Card in breach of the preceding paragraph, the relevant Member shall not be released from its payment obligations.

Article 5. (Annual Membership Fee)

A Member shall pay the prescribed amount of annual membership fee to Trust Club by the same manner of payment as that set forth in paragraph 2 of Article 9 on the date that Trust Club notifies to the Member by sending a statement of charges. Payment of the annual membership fee will take priority over payment of all of Member's obligations to Trust Club. The annual membership fee already paid shall not be refunded in principle on the ground of withdrawal or cancellation of the Membership or for any other reasons whatsoever. Member may not refuse payment of the annual membership fee on the grounds that use of the Card has been suspended (including suspension of provision of the Supplementary Services).

Article 6. (Personal Identification Number)

1. Trust Club shall register a personal identification number ("PIN") upon Cardholder's request. The Member may not use the same number in four digits (such as 0000 or 9999, etc.) or any other numbers that may be easily guessed by a third party including but not limited to the date of birth and telephone number. If the Cardholder does not request any PIN, Trust Club shall register a PIN in a manner prescribed by Trust Club and notify the number to the relevant Cardholder. The Cardholder may change the PIN in a manner prescribed by Trust Club.
2. A Cardholder shall manage his/her PIN with the care of a good manager so that they do not become known to other persons. A Member shall be liable to pay any and all obligations, losses, and so forth, arising from the card use by the Cardholder or any other third party upon entering the registered PIN, except where there is a fault on the part of Trust Club.

Article 7. (Supplementary Services, etc.)

1. A Cardholder may receive Supplementary Services and

benefits incidental to his/her Card ("Supplementary Services, etc.") that Trust Club provides itself or through a contractor associated with Trust Club (a "Service Affiliate").

2. A Cardholder shall comply with the rules and regulations, etc. that may be prescribed for the use of Supplementary Services, etc., if any, and acknowledge in advance that some Supplementary Services, etc. may not be available. Further, Supplementary Cards may not necessarily be eligible for all of the Supplementary Services, etc.
3. Members acknowledge in advance that Supplementary Services, etc. may be stopped, terminated or altered without any prior notice to the Member whenever Trust Club or the relevant Service Affiliate considers necessary.

Article 8. (Total Credit Line and Restriction of Use)

1. The credit line for each Cardholder shall be determined for each card by Trust Club upon examination. Trust Club may set a total credit limit for each Corporation in addition to a total credit line for each Card. However, even in such a case, the aggregate amount of the total credit lines for each Card shall be within the total credit line set for each Corporation.
2. If Trust Club deems appropriate, it may set the following credit lines which shall not exceed the total credit line in principle:
 - (1) a credit line for shopping one lump-sum payment; and
 - (2) cash advance/card loan credit lines.
3. Trust Club shall notify the total credit line, credit line for shopping with one lump-sum payment, and cash advance/card loan credit lines for each card to the Corporation or the Cardholder by means prescribed by Trust Club including but not limited to a card carrier and statement of charges.
4. Trust Club may change total credit lines, credit lines for shopping with one lump-sum payment, and cash advance/card loan credit lines as necessary and limit them for each Cardholder without any prior notice to the Corporation or Cardholder.
5. Amounts subject to a total credit line include charges on purchases of goods, charges on services, the principle of cash advances, and any other charges and interest or fees on any goods and services provided by Trust Club.
6. In relation to any card use by a Cardholder, Trust Club may receive an inquiry from any of the service establishments of Trust Club listed in the following items (the "Service Establishments") if the amount of a particular use exceeds the maximum amount per use separately designated by Trust Club or for any other reasons:
 - (1) Trust Club's Service Establishments;
 - (2) Service Establishments of credit card companies with which Trust Club is associated in relation to service establishment operations (i.e. businesses of acceptance of cards and credit sales); or
 - (3) Service Establishments of companies or organizations handling service establishment operations for international brand cards issued by Trust Club.
7. Trust Club shall bear no obligation to provide credit to Member as a result of setting a total credit line, credit line for

shopping with one lump-sum payment, or cash advance/card loan credit line. If any of the following grounds arise, Trust Club may reject the use in question without any prior notice to the Member or the relevant Service Establishment:

- (1) the total credit line prescribed in paragraph 1 to 5 of this Article is exceeded;
 - (2) if the particular use by the relevant Cardholder of his/her Card violates or is likely to violate the Terms and Conditions, etc. and other provisions;
 - (3) when the Card is used to purchase goods or services, whose owners name is officially registered such as a vehicle and a real property, in the name of a third party, not the Member, and when the Company determines that it is not appropriate;
 - (4) if Trust Club considers the card use by a Cardholder to be inappropriate for reasons including but not limited to being a purchase of merchandise for resale;
 - (5) if Trust Club considers inappropriate any card use at a Service Establishment as stipulated in the preceding paragraph of this Article; or
 - (6) if other than the preceding items, Trust Club recognizes it to be necessary to ensure the soundness of Card transactions.
8. If Trust Club considers the use to be inappropriate, Trust Club may request the Member to return his/her Card through the relevant Service Establishment or credit card company with which Trust Club directly or indirectly associates, or a bank or credit card company (a "Company Contracted with Service Establishment") associated with the relevant international organizations (Mastercard Worldwide or Diners Club International Ltd. for Mastercards or Diners Club Cards respectively, the same shall apply hereunder). In this case, the Cardholder shall comply with the request and return his/her Card to Trust Club.
9. The Member shall be liable to pay for any card use by a Member in excess of the credit line in paragraphs 1 and 2 of this Article.

Article 9. (Settlement of Charges)

1. A Corporation is liable for charges for purchases of goods or services (the "Card Shopping Charges"), repayments for cash advances set forth in Article 34, and other amounts that should be paid on the applicable Payment Dates that are set forth in Article 32 for each payment type for Card Shopping Charges and cash advances that the Member owes to Trust Club under the Terms and Conditions, etc. ("Contracted Payment Obligations"). The calculation of Contracted Payment Obligations shall be closed on the 15th day (the "Closing Date") of each month in principle. If shopping or cash advances (limited to use of Cash Dispensers as defined in Article 34 that are located within Japan) are used within Japan, those for which card usage data has reached Trust Club from Service Establishments and financial institutions ("Service Establishments, etc.") and for which Trust Club has finalized payments to the Services Establishments, etc. will be used for calculation of the

Contracted Payment Obligations. Other card usage data will be processed on the following business day of Trust Club and used for the calculation of the Contracted Payment Obligations on the Closing Date in the following month, depending on the time of the day when such data reaches Trust Club

2. The Member shall pay the Contracted Payment Obligations on the 10th day of the month following the Closing Date (or the following business day if the 10th day is not a business day of financial institutions: the "Payment Date") into a deposit account opened at a financial institution as designated by Trust Club (a "Payment Account") by means of account transfer, collection by servicer, or automatic transfer (the "Account Transfer, etc."); provided, however, that when Trust Club deems it necessary or based on administrative circumstances, Trust Club may receive payments by remittance into a deposit account that it designates. If Trust Club's advance consent is obtained, other methods may be used instead. Further, Trust Club may designate dates other than those stated above as the Closing Date and the Payment Date for Members. In this case, Trust Club shall notify Members of the Closing Date and the Payment Date so designated in sending statements of charges prescribed in paragraph 7 of this Article or another method designated by Trust Club. Based on administrative circumstances, this may be the payment date from two or more months after the Payment Date.
3. Notwithstanding the provisions of the preceding paragraph, if the Account Transfer, etc. cannot be completed for reasons including but not limited to an insufficiency of funds in the Payment Account, the Member shall promptly arrange for a remittance into a bank account designated by Trust Club so that the relevant Contracted Payment Obligation is fully paid, or upon instruction from Trust Club, if any, arrange that an Account Transfer, etc. of the whole or a part of the unpaid Contracted Payment Obligation may be made on the day designated by Trust Club. However, the above Account Transfer, etc. or remittance into a bank account designated by Trust Club is just a means of performance of the Contracted Payment Obligation and does not mean that the Cardholder himself/herself is obliged to perform the Contracted Payment Obligation. After the said Account Transfer, etc., Trust Club shall not reimburse the Cardholder for the amount paid by the Account Transfer, etc. for any reasons whatsoever. However, the Corporation shall be obliged to indemnify the Cardholder for that amount.
4. Notwithstanding the provisions of the preceding three paragraphs, if Trust Club prescribes otherwise in relation to the manner of payment, or if Trust Club's advance consent is obtained, a Member may use any other manner of payment instead.
5. If charges for any card use are denominated in a foreign currency (including charges in a foreign currency for any card use in Japan), the charges shall be converted into Yen in accordance with the procedures designated by an associated international organization in the relevant country at the conversion rate that multiplied the certain rate by the

standard rate designated by the relevant associated international organization or Trust Club. A Member shall agree to the foregoing in advance with respect to the use of his/her Card and shall not raise any objection to Trust Club with regards to the conversion rate. However, if Trust Club and a Corporation separately enter into an agreement concerning the conversion rate, such other agreement shall prevail. Further, the standard rate shall only be applied to any use of cash advance services overseas.

6. If a Member fails to pay the relevant Contracted Payment Obligations on the corresponding Payment Date set forth in paragraph 2 or 3 of this Article, the Member shall pay the unpaid obligation in a manner designated by Trust Club. The costs of payment in such designated manner shall be borne by the Member as a matter of course.
7. By the Payment Date in each month, Trust Club shall notify each Member of the monthly amount of Contracted Payment Obligations set forth in paragraph 1 of this Article in a manner prescribed by Trust Club including but not limited to a statement to the address that the Member has notified to Trust Club. Trust Club may, for its own reasons, change the manner to deliver statements of charges to Members.
8. If a Member does not raise any objection to Trust Club within fourteen (14) days after receiving a statement of charges in the preceding paragraph, the Member may be treated as having no objection to the contents of that statement of charges. In this case, it may not be possible to assert exemption from the Payment Obligations or make a claim for a refund from Trust Club.
9. A Member may request Trust Club to reissue a statement of charges. However, such reissuance shall be limited for any statement of charges issued within six (6) months prior to the month of reissuance request. In this case, the Member shall pay a reissuance fee prescribed by Trust Club.

Article 10. (Appropriation of Payment, etc.)

1. If the amount paid by a Member is insufficient to fulfill its obligations to Trust Club based on the Terms and Conditions, etc. or other agreements in full, Trust Club may, without any prior notice to the Member, appropriate such amount to the payment of any obligations in an order and manner that Trust Club designates, and the Member shall not raise any objection to such appropriation.
2. If the amount paid for a Member's payment obligation exceeds the amount to be paid when due as set forth in the Trust Club agreement (including the provisions of this Terms and Conditions, etc., any individual agreement with the Member or other payer, or any designation by Trust Club based on these agreements), a Member shall agree in advance that relevant excess amount may be, as a matter of course and without any notice to the Member or other payer, appropriated to the Member's obligations to Trust Club (unless otherwise specified by Trust Club) on the dates and in the order and manner that Trust Club designates, irrespective of whether any of their payment has fallen due or not. Any and all disputes with the payer arising from this shall be resolved by the Member.

Article 11. (Burden of Cost)

A Member shall, even after the cancellation or withdrawal of the Membership, bear costs including but not limited to stamp duties as well as costs for filing of petition with respect to the Member for payment demand, compulsory execution, preservation, and preparation of notarial deeds, among any and all costs and expenses that Trust Club incurs in taking legal actions. The costs for an investigation, etc. conducted by the Member shall be borne by the Member as a matter of course.

Article 12. (Reexamination of Membership Qualification)

1. Trust Club may reexamine the eligibility of a Member and his/her credit lines available for the Member on a regular and ad-hoc basis. In this case, the Member shall furnish Trust Club with such materials as requested by Trust Club.
2. Trust Club may suspend use of the Card or take other necessary measures until the Member complies with the request for furnishment of materials from the previous paragraph.

Article 13. (Rejection of Relations with Anti-social Forces)

1. Members; representatives of Corporations, directors, representatives in membership application (including an Administrator), prospective Cardholders, substantial controllers, and employees of Corporations; and any other similar persons (referred to as a "Member, etc." hereinafter in this article and Article 14) hereby represent and warrant that each of them does not and will not fall under any of the followings:

CHAPTER II Card Shopping Provisions

Article 30. (Manner of Card Use)

1. A Cardholder may purchase goods or receive services by presenting his/her Card at a Service Establishment and signing a designated sales voucher in the same manner as on the back of his/her Card. However, at Service Establishments with credit card terminals, Cardholders may be requested to comply with the procedures prescribed for such terminals. For mail-order purchases or other circumstances especially approved by Trust Club, the presentation of Cards may be omitted, and instead, any other manner prescribed by Trust Club including but not limited to the signing of order sheets may be required. At the Service Establishments that Trust Club deems appropriate (including Service Establishments conducting transactions including but not limited to online transactions on the Internet or by other similar means), Cardholders may purchase goods or receive services in a manner that Trust Club deems appropriate including but not limited to the entry of their PIN into the credit card terminals without or instead of the signing on sales vouchers.
2. In case of IC Card use at Service Establishments designated by Trust Club, Cardholder may make the entry of their PIN into the credit card terminals instead of signing on sales vouchers. However, at Service Establishments with a broken credit card terminal or other methods especially approved by Trust Club is available, Cardholder may be asked to proceed with another payment method.
3. For reasons including but not limited to the status of use, an approval from Trust Club shall be required for each card use. In this case, Trust Club may receive an inquiry from a relevant Service Establishment and Company Contracted with Service Establishment. Members agree in advance that Trust Club shall answer such an inquiry from the Service Establishment and Company Contracted with Service Establishment only with respect to the aspects that Trust Club deems necessary.
4. If Trust Club considers that a Cardholder's Card is likely to be used in a fraudulent manner by a third party, Trust Club may withhold or decline the use of the Card through the relevant credit card terminal and approve the use upon inquiry from the relevant Service Establishment or Company Contracted with Service Establishment. Cardholders agree in advance that Trust Club may follow the prescribed procedures for identification in such circumstances.
5. If Trust Club considers that a particular card use by a Cardholder violates or is likely to violate the Terms and Conditions, etc., is for an inappropriate purpose or is otherwise inappropriate, Trust Club may reject the use by the Cardholder.
6. A Cardholder shall, in order to cancel a purchase of goods or services for which his/her Card is used, comply with the designated procedures including but not limited to the

signing of a cancellation voucher in the same manner as on the back of the Card.

7. A Cardholder may use his/her Card in relation to a continuous service designated by Trust Club including but not limited to the settlement of communication charges by registering the Card Information with a relevant Service Establishment in advance. If his/her Card becomes unusable due to a change of any particulars including but not limited to the card number or valid term, withdrawal or cancellation of Membership, or any other reasons, the Cardholder shall immediately take necessary steps to change the manner of settlement upon notifying the relevant Service Establishment to that effect. If the Cardholder does not make this change, even after the withdrawal or cancellation of the Membership, the Member shall be liable for the payment of charges with respect to transactions arising from the relevant Service Establishment pursuant to provisions hereof. If the Member receives a separate instruction from Trust Club in respect of such manner of settlement, the Cardholder shall comply with the separate instruction.
8. In relation to the preceding paragraph, if any particulars including but not limited to the card number change due to a change of card type or other similar reasons, or if Trust Club otherwise deems necessary or appropriate in cases, including but not limited to, where more than one Card is lent to the Cardholder, Trust Club shall notify the Service Establishment of the relevant change upon request therefrom, which Cardholders hereby accept in advance. Further, if the Cardholder terminates the agreement concerning the continuous service, he/she shall himself/herself take necessary steps with respect to the relevant Service Establishment. Even after the withdrawal or cancellation of the Membership, the Member shall be liable for payment with respect to the use of his/her Card at the relevant Service Establishment pursuant to paragraph 6 of Article 15 and paragraph 3 of Article 17.
9. Any dispute that may arise under transactions using a Card shall be resolved between the relevant Cardholder and the relevant Service Establishment. If a Cardholder, after a transaction using his/her Card at a Service Establishment, cancels the transaction upon agreement between the Cardholder and the Service Establishment, the relevant charges shall be settled in a manner prescribed by Trust Club.
10. Members agree that the Service Establishments shall disclose to Trust Club the information concerning goods, services, and telephone conversations purchased using Cards as well as other contents of transactions and related information, for the purposes of identification and confirmation of details of claims arising from card use. A Service Establishment shall itself or through a relevant Company Contracted with Service Establishment disclose to Trust Club the details of telephone conversations including telephone numbers of called parties, only if the relevant Member so consents in advance and the relevant Service Establishment so agrees.

11. Members agree in advance that some foreign Service Establishments may charge a handling fee in relation to a card use (a "Card Handling Fee"). If a Cardholder signs a sales voucher expressly stating the amount of Card Handling Fee, the Cardholder is liable to pay the Card Handling Fee in addition to the Card Shopping Charges.

Article 31. (Acceptance of Advances, etc.)

1. If a Member uses the Card at a Service Establishment in relation to Trust Club in accordance with the preceding article, the Member approves Trust Club making an advance payment to the Service Establishment and will be deemed to have entrusted Trust Club with the relevant individual advance with the execution of the agreement based on the Terms and Conditions. When Trust Club makes Member's payment to a Service Establishment in its place based on entrustment by the Member, the Member agrees to each of the following items with respect to the Service Establishment's claims against Member that the transaction using the Card gives rise to:

- (1) that by having decided to perform an advance payment to the Service Establishment (regardless of whether before or after the actual execution of the advance payment), Trust Club acquires a claim against the Member equal in amount to the advance payment. In this case, such an advance payment may be made through a third party (excluding an associated credit card company and foreign credit card company but including an overseas Diners franchise) that is deemed appropriate by Trust Club;
 - (2) that an associated credit card company makes advance payments on behalf of the relevant Member to a Service Establishment or that the Service Establishment assigns Receivables to the relevant associated credit card company, both in accordance with the agreement between the associated credit card company and the Service Establishment (In this case, such an assignment or advance payment may be made through a third party that is deemed appropriate by Trust Club.) in parallel with an advance payment from Trust Club to the associated credit card company; and
 - (3) that a foreign credit card company makes advance payments on behalf of the relevant Member to a Service Establishment or that the Service Establishment assigns the Receivables to the relevant foreign credit card company, both in accordance with the agreement between the foreign credit card company and the Service Establishment (In this case, such an assignment or advance payment may be made through a third party that is deemed appropriate by Trust Club.), in parallel with an advance payment from Trust Club to the foreign credit card company.
2. Members hereby consent, in advance, to the advance payments for any of the items prescribed in the preceding paragraph by Trust Club. In relation to the said advance payments, the Service Establishments and Trust Club shall dispense with any notification and request for consent to the

relevant Member with respect to each advance payment.

3. The amount of advance payment that Trust Club makes on behalf of the relevant Member pursuant to paragraph 1 of this Article shall be the amount indicated on the relevant sales data or sales voucher prescribed by Trust Club (the amount that is indicated on the relevant order form or equivalent prescribed by the Service Establishment, in case of a mail-order purchase, etc.).

Article 32. (Type of Payment)

1. Cardholder Card Shopping Charges shall be paid in one lump-sum in principle. Neither one lump-sum payment at bonus time nor revolving payment shall be available.

designated by Trust Club including but not limited to a statement of charges to the Cardholder. However, if the relevant Corporation and Trust Club agree otherwise, such other agreement shall prevail. Trust Club may change the interest rates for cash advance services and delinquency charges on the ground of changes in the financial climate or any other circumstances.

5. The amount of cash advance used, Payment Date of interest, manner of payment, and currency conversion with respect to the amount in a foreign currency that is stated on a voucher for cash advance used overseas shall be as set forth in the Terms and Conditions, etc.

 - (1) if the cash advance data has not arrived at Trust Club;
 - (2) if the closing date of the Balance of Use which early repayment is going to be executed has passed; or
 - (3) if the Member remits the relevant amount into a deposit account specified by Trust Club without any prior notice.
 - (4) if the payment of the annual membership fee is not complete in a month in which it is billed.
